**Above is the 2014 order of events which was based on the number of entries received. Based on the above, if the U13 Boys relay was a final it would be the first 4X100m relay to take place after the 4X400m. The number of teams entered will dictate the need or not for heats, therefore the relay programme is subject to change and may not be in the same order as last year.**
